

When your teeth are whiter and brighter, it not only makes them look more attractive, but it also makes them appear healthier! Quality teeth whitening will boost your confidence, enhance your appearance, and even improve your mood and mental well-being. While it may be tempting to pick up a store-bought product to give whitening a try, these products often don't deliver on what they promise – even worse, they can damage your enamel!

At Lutz Family Dental, we have a safe, dependable, and effective smile brightening offer you won't want to miss!

## GET FREE TEETH WHITENING FOR LIFE IN LUTZ, FLORIDA!

- As an incentive for patients to keep all of their regularly scheduled hygiene appointments, we are excited to provide our Free Whitening for Life program to new and existing patients! We would love to whiten your teeth and keep them white for life. To keep our office schedule running smoothly, we have found it important for our patients to keep all regularly scheduled appointments.
- To be eligible for our Whitening for Life program, you must:
- You must be 18 years or older to participate.
- Keep your regularly scheduled dental cleaning appointments. This includes your x-rays. The frequency of your cleanings will be determined by Dr. Patel, not your insurance provider. Your long-term oral health is as important to Lutz Family Dentistry as it is to you! Our patients have found that regular checkups can greatly reduce dental emergencies and help save money on your dental care in the long run. Our practice is happy to provide this extra level of service to our incredible patients who are committed to their oral health.
- In order to provide exceptional services, like Whitening for Life, we ask that you give us the courtesy of advance notice for any and all schedule changes. You must provide at least 48 hours' notice if you need to postpone or reschedule an appointment.
- All necessary dental treatment must be completed. Any bleaching in the presence of open decay is not safe and therefore not allowed. Free Whitening for Life was developed as a free gift for those patients that already take their dental health seriously. We want the service to be an incentive for those who need a little boost in keeping up with their dental care.
- All accounts must be current with no outstanding balances or amounts owed to the practice.

## NEW DENTAL PATIENTS

1. We would like to see you for a comprehensive exam, full set of x-rays, and thorough teeth cleaning. Call our office today to schedule your first appointment!
2. Once your teeth are cleaned and healthy, you will receive your FREE WHITENING FOR LIFE kit. We will provide you with 2 sets of pre-made whitening trays (a \$400 savings!!).
3. When you keep your regularly scheduled dental cleanings, 2 times each year, we will supply you with a FREE whitening syringe at no additional cost to you!

## EXISTING DENTAL PATIENTS

1. If you have already had whitening done in our office and already have whitening trays, you will automatically roll into our new Whitening for Life program. You will receive a whitening syringe, at no cost to you, when keeping your regularly scheduled hygiene appointments.
2. If you have not had whitening treatment in our office and would like to join our Whitening for Life program, you can enroll for a one-time fee of \$99.00 (a savings of over \$300!!).

Our Lutz Family Dentistry team will create pre-made whitening trays and give you a whitening syringe. You will receive a new syringe at each regularly scheduled hygiene appointment throughout the year (2 times per year).
